MAMMA MIA!

2
HERE WE GO AGAIN!

JULY 19

Ten years after Mamma Mia! The Movie grossed more than \$600 million around the world, you are invited to return to the magical Greek island of Kalokairi in an all-new original musical based on the songs of ABBA.

Reprising their roles from Mamma Mia! The Movie are Academy Award® winner Meryl Streep as Donna, Julie Walters as Rosie and Christine Baranski as Tanya.

Amanda Seyfried and Dominic Cooper reunite as Sophie and Sky, while Pierce Brosnan, Stellan Skarsgård and Oscar® winner Colin Firth return to play Sophie's three possible dads: Sam, Bill and Harry.

GLENN CLOSE JONATHAN PRYCE FRANCES MCDORMAND CHRISTIAN SLATER

The faithful wife of a famous New York novelist decides to leave her husband on the eve he's scheduled to receive a prestigious literary prize.

The life-altering decision unearths the many dark secrets of their marriage.

AUG 2

The WIFE

She will forever be remembered as the writer who gave the world Frankenstein.

But the real life story of Mary Shelley—and the creation of her immortal monster—is nearly as fantastical as her fiction. Imbued with the imaginative spirit of its heroine, Mary Shelley brings to life the world of a trailblazing woman who defied convention and channeled her innermost demons into a legend for the ages.
