*Auggie Pullman (Jacob Tremblay) was born with a facial deformity and has had 27 surgeries in order to help him to breathe, see, and hear without a hearing aid, but he still looks different from other kids. He's been homeschooled up to now by his mother, Isabel (Julia Roberts), but now that he's 10, she's decided he should go to school with other children at the beginning of fifth grade. Based on the New York Times bestseller, WONDER tells the incredibly inspiring and heartwarming story of August Pullman, a boy with facial differences who enters fifth grade, attending a mainstream elementary school for the first time.*
